Hanna's gluten free

ABOUT OUR GLUTEN-FREE MENU

Hanna, my daughter, was diagnosed with Celiac disease in 2005 at 7 years old. When we opened our first restaurant, providing quality gluten-free (GF) food became a priority. Educating our staff about 'gluten-free' was crucial.

Now, every restaurant in our OG Hospitality Group offers great gluten-free menus. Hanna, now a food enthusiast, has played a role in this journey. However, we're not a gluten-free restaurant; we offer a gluten-free menu. While we take steps to ensure safety, mistakes can happen.

We learn from these mistakes to improve. Through serving hundreds of GF meals daily, we take pride in our expertise. Guests with gluten sensitivities should exercise caution not only at our restaurants but also at any place offering GF options alongside non-GF food.
